

Announcing one of our easy, painless fundraisers

**\$ You can donate money to Temple Israel without spending one extra cent! \$**

And, help our synagogue raise needed funds...

**Use a Waldbaum's gift card for your grocery and postage stamp purchases at Waldbaum's, Pathmark, and The Food Emporium.**

**\$ How does it work?**

1. You buy a Waldbaum's gift card from Temple Israel. Cards are available in denominations of \$100 and \$25.
2. You use the gift card just like cash. A \$100 card, for example, buys you \$100 of groceries and/or postage stamps. You don't spend one extra cent.
3. Temple Israel gets back 5% from every gift card dollar.

If you use a \$100 gift card once a month for a year, Temple Israel earns \$60 that year. Multiply that by 80 members, and the Temple could make \$4800 annually without anyone spending any extra money. The more people who use the gift card more often, the more money the Temple can earn.
