Torah Reading Academy
B'nai Shalom's innovative program for
post-Bar/Bat Mitzvah teens

This outstanding, energetic group of teens from public and private schools meets once a week for one hour (with time off for pressing schoolwork) and works together to become peer Mentors in the art of expert Torah reading. Together we enjoy social recreation as well, with special dinners and outings throughout the year. Teens strengthen a valuable skill, meet new friends, help the synagogue, and train to be teachers and leaders in the process. We have built a great comeraderie amongst our 26 members this year, and we invite you to come join us!

We will work with your busy schedule, and ALL HEBREW LEVELS are welcome.

Contact Margo Heda with any questions or to register at (201) 797-7305 or email her at margo@techcat.com. Please help us by registering by September 1st.
