

Kick-Off ANNOUNCEMENT

Our synagogue has joined a PARTNERSHIP between the Jewish Vocational Service and a Broad Coalition of MetroWest Synagogues to link the UNPRECEDENTED NUMBER of highly qualified Jewish MetroWest Unemployed to OUR OWN business community.

With the downturn in the economy during the past few years, there is a critically alarming need to address unemployment and underemployment within our own congregation and the surrounding Jewish community. The unemployment rate in Metrowest is already reaching an unprecedented level, and the problem is affecting thousands of Jewish families including our own relatives, friends, neighbors, business associates and MEMBERS OF THIS CONGREGATION!

Since the highest level of Tzedukah is to help someone get a job--Please help by doing this MITZVAH when you are called as part of our JVS/Synagogue JOB BANK PHONATHON beginning this Sunday, Nov. 16th!

Members of THIS congregation will be contacting you-NOT to solicit funds-but rather to solicit confidential INFORMATION regarding JOB LEADS/JOB OPENINGS/COMPANY CONTACTS/MENTORS.

JOB LEADS obtained from all Coalition Synagogues will be shared among the participating congregations!

A secure on-line JOB BANK has been created to assist members of these congregations in their employment search.

Each participating congregation has a LIAISON to assist synagogue job seekers and employers to become connected to the JOB BANK. Contact our Synagogue Office for further information!
