VII. Personal Statement

USY has become a much bigger part of my life than I could ever have imagined. As of this point, I couldn't see my life without it. Ok, that's enough of the serious stuff. Now its time for the personality portion of the evening. I want to be Arvot Secretary, plain and simple. People say "I'M WILLING TO DO THE WORK!" all the time, but they may not mean it. I MEAN IT. I know I may seem like a COMPLETE GOOFBALL most of the time, and I wouldn't dream of denying it, but I have honestly never wanted anything more in my life. I think I could bring some serious SPUNK into Arvot, and who doesn't need a little more spunk in their life? GABRIEL GROSSMAN=SPUNK. The fate and safety of Arvot means the world to me, and trust me, YOU WANT TO BE A PART OF MY WORLD (ps- that was a little mermaid reference, aka my favorite Disney movie, just in case you were wondering).
